**Small Group Discussion Guide**

**Icebreaker:** What are some memories you have from the first time you attended a Bible-preaching church. If you were raised in such a church, what did you like most about it?

1. Share something from Sunday's study that spoke to you personally – A challenge? an encouragement? a good reminder?
2. Define: "walking worthy of your calling."
3. How would you endeavor to preserve unity?
4. How would you describe "called in one hope"?
